MEMORANDUM

To: All Employees and All Enrolled Students

From: Middle States Co-chairs: Tonya Addleman, Dr. Glenda Hernández Tittle, Dr. Sylvea Hollis

Date: February 4, 2026

Subject: Reaccreditation with the Middle States Commission on Higher Education (MSCHE)

Welcome to the Spring 2026 semester!

This is a very important year for the College as it relates to the self-study process for reaccreditation with the Middle States Commission on Higher Education (MSCHE). For the past year and a half, the steering committee and working groups have been preparing the foundation for the work yet to be done in anticipation of an evaluation team site visit in the spring of 2027.

We are now in the process of preparing our self-study report – a new phase where your participation and engagement is essential, as this is a collective and comprehensive process.

Stay tuned! This semester we will invite you to join us for sessions to review outlines and draft chapters for each of the seven MSCHE standards. We will also make these documents available online so that you can provide your feedback asynchronously in the event you are unable to join us in person at these sessions.

To stay up-to-date and learn more about specific engagement opportunities, be sure to check out the [Middle States website](#), read announcements in Inside MC, and watch for additional information shared via email.

If you have any questions, please do not hesitate to contact us at Middlestatesself-study@montgomerycollege.edu.

We look forward to connecting and engaging with you throughout the semester.
