## Memorandum

---

**To:** Montgomery College Community  
**From:** Dr. Deidre D. Price, Senior Vice President for Academic Affairs/College Provost  
**Subject:** Announcing Two Commencement Ceremonies in 2026  
**Date:** December 9, 2025

Commencement marks the culmination of an academic journey for Montgomery College students and a celebration of the achievement made possible by the collective work of our College community. While Commencement is a common and traditional ceremony for honoring academic achievement, Commencement at Montgomery College is anything but common or traditional. These events provide us with an opportunity to see our inspiring students come together as one graduating class representing the intersection of thousands of stories that reflect perseverance and achievement—all saying “I am MC” because we have become part of the stories they will tell from now on. I invite you to join me at this year’s Commencement exercises, representing a part of our graduates’ academic journey and coming together as a College at this once-a-year event where we can proudly say alongside them, “I am MC.”

MC Commencements are remarkable experiences, and it is no surprise that the number of graduates choosing to walk across the stage continues to increase each year with last year marking our largest graduating class in College history. Last year’s Commencement was so well attended, in fact, that we know it presented challenges for some guests and College employees being able to participate fully and comfortably due to program length and space. Since last year’s event, the College has considered all options to expand access to this year’s Commencement and to ensure a comfortable in-person experience for all. **This year, the College will host two commencement ceremonies on May 21 and 22 at the Rockville Campus Athletic Field under the Commencement tent.** Our priority is graduate recognition and event programming that serves all students, faculty, staff, families, and friends well.

### Limited Services to Support Commencement

To support this year’s commencement ceremonies, Student Affairs offices and student services will operate on a limited basis during the event period. Essential functions will remain available, but response times and in-person availability may be reduced as staff assist with Commencement activities. Students are encouraged to plan ahead for any time-sensitive needs and to check office websites for adjusted hours. We appreciate the community’s patience and partnership as we celebrate our graduates’ achievements. Normal operations will resume immediately following the commencement ceremonies.

### Volunteer Staffing Needs

To ensure we provide our graduates and their guests with an optimal experience, we invite and encourage all members of the Montgomery College community to support commencement activities on Thursday and Friday. Our move to two ceremonies over two days will require a total of 550 volunteers. Outlined below is the number of volunteers needed for our 2026 commencement ceremonies.

#### Thursday, May 21

- Accessibility Services (ADA seating escorts, wheelchair support, captioning assist): 10
- Campus Volunteers (includes alternate viewing): 40
- Faculty/Staff Lineup: 25
- Guest Entrance: 35
- Reception/Photo Area: 25
- Student Involvement: 70
- Stage & Diploma Runners (name card flow, cueing, certificate table): 5
- Ushers & Seating: 50
- Platform Party Support (lineup, escorts, award handlers): 25

#### Friday, May 22

- Accessibility Services (ADA seating escorts, wheelchair support, captioning assist): 10
- Campus Volunteers (includes alternate viewing): 40
- Faculty/Staff Lineup: 25
- Guest Entrance: 35
- Reception/Photo Area: 25
- Student Involvement: 70
- Stage & Diploma Runners (name card flow, cueing, certificate table): 5
- Ushers & Seating: 50
- VIP Breakfast/Platform Party Support (lineup, escorts, award handlers): 25

You are all welcome to attend both ceremonies. Faculty, we encourage you to attend the commencement date that best aligns with your program(s), as we will divide the commencement ceremonies by program.

The ceremony schedule is as follows:

#### **Day 1: Thursday, May 21, 2026 – 10 a.m.**

##### **Majors in Business, Education, Liberal Arts, Social Sciences and all GITE Programs**

Science - Physics (AS)-412C  
Surgical Technology (AAS)-590

Thank you for your feedback from last year's Commencement ceremony. We continue to explore all options to plan for our continued growth in enrollment and throughout our College community. This year's decision to host two Commencement ceremonies provides us with a way to create a more personal and engaging celebration for all students and their guests. This arrangement also provides us with a better way for our faculty and staff to participate and show their ongoing support for our students and their very promising futures ahead.

We in education know that graduation marks an ending, but in so many ways, it is just the beginning. Please attend and share time with us to hear these students' remarkable stories. You are the College that made these stories possible, and we look forward to sharing in this event that is both an ending to the academic year and, for our students, the beginning of everything

after.

In the coming weeks, the Special Events and Marketing and Communications teams will share additional details about participation, volunteer sign-ups, and ceremony logistics. Mark your calendars now. This will be an event you won't want to miss.

Thank you for your continued support of our students, and thank you for being MC.
